## What our users say

UNIVERSITY of WISCONSIN  
GREEN BAY

“...thank you and your team for providing these amazing webinars...as a Career Advisor I've have an increase in the number of international students I serve. I attended the webinar last month re: OPT and CPT and it was SO informative - and, I've been able to apply the information in my appointments with our international students.

Business School

“ Thanks... for running such a great product and team to work with, it really has been the only consistent product in the global opportunities space.

**UCLA**

“ GoinGlobal is comprehensive, intuitive and easy to use, providing excellent, practical country-specific information on a wide variety of topics... GoinGlobal has all the online tools necessary to equip the professional job seeker to research and target international employment, and I heartily recommend it!
